The 14" Corporate Traveler Briefcase is designed for the traveling business professional. Its patented checkpoint-friendly design helps you fly through airport screenings without removing your laptop; and features a convenient trolley strap for effortless attachment to your rolling luggage. Easily access your supplies with a zip-down workstation that has strategically located pockets and dividers.

Made with durable military-grade ballistic nylon and a state-of-the-art SafePort® x D3O® protection system to help prevent drop and side-impact damage, you can rest assured your devices are protected. Comfortable to carry, the case is crafted with magnetic carry handles and an Equalizer® shoulder strap that contours to either shoulder.
